

Free Buprenorphine Waiver Training

For New York City Physicians, Nurse Practitioners, Clinical Nurse Specialists, Certified Nurse Midwives, Physician Assistants, and Students (MD, DO, PA, NP)

To be notified of future trainings contact
buprenorphine@health.nyc.gov

Background:

Buprenorphine is an effective medication for treatment of opioid use disorder and can be prescribed in office-based primary care settings. Physicians, nurse practitioners, certified nurse midwives, clinical nurse specialists, or physician assistants can prescribe buprenorphine after obtaining a waiver. Physicians are required to complete an 8-hour training in order to apply for a waiver; nurse practitioners and physician assistants must take 24 hours of training (inclusive of the 8-hour training) in order to apply. This course fulfills the 8-hour training requirement.

Training Format:

The half-and-half format will include approximately 4 hours of online training *prior* to 4 hours of in-person training. **Pre-registration by the deadline is required.**

Training Information:

Friday, March 13, 2020

1:00pm-5:30pm

Mount Sinai Icahn Medical Institute

1425 Madison Avenue

First Floor
