

HEALTH WORKFORCE FUNDING OPPORTUNITIES

National Health Service Corps

A site must first apply for NHSC approval before it can participate in the program. Only certain practice sites including Federally Qualified Health Centers (FQHCs), critical access hospitals, and community outpatient facilities that are located in or serve a HPSA are eligible to apply to become an NHSC site. Please see the [NHSC site reference guide](#) for more detailed eligibility criteria. GNYHA communicates when HRSA opens NHSC site applications.

GNYHA is a dynamic, constantly evolving center for health care advocacy and expertise, but our core mission—helping hospitals deliver the finest patient care in the most cost-effective way—never changes.
