

**CLINICAL QUALITY  
FELLOWSHIP PROGRAM**

March 15, 2023

We are pleased to welcome you to the 2023-2024 class of the Greater New York Hospital Association/United Hospital Fund (GNYHA/UHF) Clinical Quality Fellowship Program (CQFP).

The CQFP is a 15-month program that trains the next generation of quality leaders in the Greater New York region. The program offers a combination of retreat-style sessions, virtual and in-person dinner meetings, five capstone workshops, and ad-hoc meetings and conference calls with mentors. Each participant is required to complete a “capstone” quality improvement initiative and present the final project at a culminating meeting hosted by GNYHA/UHF at the end of the program. The goal of this project is for it to be sustainable after the coursework in the CQFP ends.

We look forward to working with you during the course of the CQFP and are available to you as needed to ensure your successful completion of the program.
